Dear Patriot:

This directory has been compiled for your convenience. Contained within its pages is the contact information for each of the elected officials currently serving Boone County, Arkansas.

It is our hope that you use this information often to communicate with your representatives regarding important issues that affect our town(s), state and nation.

The Boone County TEA Party will do our best to help you stay up-to-date on the issues and will request your assistance in communicating our message through email or social network "Calls To Action".

The election of 2010 sent a powerful message to politicians throughout the nation. They are aware we are here and they are paying attention (whether they will say so or not). It is critical that we maintain our momentum and stay involved in their activities. These representatives must be constantly reminded for whom they work.

Working together, we can help America return to the great nation that we knew as kids. It is the most valuable legacy we can leave to our children and grandchildren.

Respectfully,  
Kara W. Staton  
President, Boone County TEA Party
